Profile

Enthusiastic and dedicated Software Engineering student with a passion for frontend development. I am eager to leverage my academic foundation and practical experience to contribute effectively as a Frontend Developer Intern. Proficient in HTML, CSS, JavaScript, and modern frontend frameworks such as React.js and Next.js. Skilled in translating design mockups into responsive and user-friendly web interfaces. Proven ability to collaborate within cross-functional teams and adapt quickly to evolving technologies. I was committed to delivering high-quality code while continuously refining my skills through ongoing learning and professional development.
